WEDDINGS OF 50 GUESTS OR MORE

For weddings of this size or above, the Judge's Court and the Barrister's Court are perfect for hosting the day.

The Judge's Court is used for the wedding breakfast and reception, with dancing and DJ to follow if desired.

The Barrister's Court then creates the perfect ambience for the ceremony, being then turned into a relaxed chill out room with low lighting and soft music for your guests to retire to later in the evening.

To combine these two rooms with perfect coalesce we have our beautiful mosaic tiled foyer and bar area situated between the rooms creating the ideal champagne reception area following the ceremony.

Our late license is until midnight Sunday to Wednesday and 1am Thursday to Saturday.

SMALLER WEDDINGS OF 40 GUESTS OR LESS

For a smaller, more intimate wedding we can arrange the ceremony in the Barrister's Court and the wedding reception in the Judge's Chamber.

The Judge's Chamber offers its own mosaic tiled foyer area also creating an ideal space for a champagne reception.

All rooms can be used separately for smaller wedding receptions and dinners.
